Grading Policy

I will follow the Pflugerville ISD district policy with respect to grading, late work and retesting. The expectation is for you to complete your work on time with excellence. This policy can be located on my website.

Students are subject to the PISD Acceptable Use Policy guidelines as outlined on the district website. Students are expected to be good stewards of our excellent technology resources and use them only for class work. Disciplinary action will be taken for students using the computer for anything other than an approved activity, and any vandalism or damage will be met with immediate consequences including, but not limited to, the loss of the use of the computer and a fine.
